

# TOP 5 REASONS

## TO USE A FREE MOBILE CREDENTIAL

### 1 EVERY PENNY COUNTS

Avoid unnecessary costs associated with physical badges. MyPass Mobile Credentials by WaveLynx have no costs associated with their use and no recurring fees whatsoever.

### 2 DO MORE. TOUCH LESS.

Eliminate all contact with physical cards and with the badge office. Credential Users only touch what they carry — their phones.

### 3 TOE IN THE WATER

Why not see how company culture adapts to using MyPass Mobile Credentials without any risk? Campuses that want to shift to an entirely mobile-ready ecosystem can try out mobile in a risk-free setting.

### 4 SIMPLIFY DESIGN

Eliminate the need for multiple readers to accommodate multi-tenant needs by implementing MyPass Mobile Credential access in lobbies and common areas.

### 5 TACKLING TRANSITIONS

As a cost-effective transition tool for the enterprise, replace physical non-secure proximity badges with MyPass Mobile Credentials. The smoothest transition strategy yet!
